

Timing By Zornick

Manual Timing: \$300

This includes up to 200 finishers using your bib numbers that have barcodes. \$.50 per entrant over 200.

Chip Timing. \$300 + \$.75/new disposable chip or \$.60/ chip for recycled chips. Recycled chips are an option only for smaller races (under 300).

Additional Charges for both types of timing

- \$50 for each additional race on same day (10K & 5K)
- \$75 for Finish chute and Clock
- \$75 for Large P.A. System
- \$.75 addition per Day of Race Registrant
- \$.25 Generic Bibs
- \$.40 Custom Bibs with your race name
- \$.60/mile Mileage to you race from Vancouver (Can we waived)
- Races 10 miles in length or longer are an additional \$100
- Races over 20 miles in length are \$200 additional
- Hotel charges for races over 90 miles from Vancouver
- \$150 extra for chip timed races that are point to point. Nothing extra for manual timed races
- \$50 extra for chip timed races if start and stop are not at the exact same spot
- \$.75/participants if you want me to handle all pre-registration information. This includes labels on bibs and complete registration list for packet pick up. I encourage this option because so many RDs have problems managing their registration
-

I offer discounts to races where 100% of the proceeds that go to charitable organizations (negotiable).
